Duke of Edinburgh Awards

This academic year has been one of the most successful for the operation of the Duke of Edinburgh Award programme at Warwick Academy. Some 32 students received awards, including: Gold (1); Silver (20); and Bronze (11).

The programme requires Bronze Award students to undertake four activities – a community service, a skill, a sport and a 2-day expedition. Silver Award holders complete the same activities to a more demanding level, and a 3-day expedition. Those gaining their Gold Award face a formidable challenge. They must undertake at least 60 hours of community service; show improvement in a skill for a period of 12 months; participate and show improvement in a physical recreation; live away from home for at least five days undertaking a community residential project; and finally, complete a 4-day expedition or exploration outside Bermuda.

We answer to you

If you've lived in Bermuda for even a brief period, you should have noticed that Cable & Wireless has made a big difference. To the quality of life, as well as to the quality and value of today's communications. We're one of the island's biggest employers of Bermudians and are proud of a workforce that's over 75% Bermudian. Our annual sponsorship of the Jason Project enables thousands of Bermuda's students to experience the wonders of science and technology. Government Primary students can surf the Web thanks to our Internet sponsorship. The BFA Olympic U23 Development Team... the N.V.C.C. soccer programme ... our sponsorship of W.I.
